

Practice range and registration will open at 7:00am

Shooters meeting 8:45am

Shotgun start 9:00am

Novelty shoots, raffles, refreshments as you finish and return from the course

Awards and prizes as soon as they can be tallied while serving dinner

No alcohol can be served or consumed on the property

2 x 30 target 3D courses using McKenzie targets

Hunter course – max distance 35 yards with one exception, 2 stakes – youth/traditional and all other, bows must be a typical hunting style setup – no stabilizers longer than 12” from point of attachment on the front or passing the bow string on the rear, fixed pin or adjustable pin sights are both allowed, however, no magnification lenses are allowed, no bows/limbs rated for more than 70# - arrow speed will not be checked

Competitive course – max distance 45 yards with one exception, 2 stakes – youth/traditional/Olympic recurve and all other, bows are considered open or freestyle – all stabilizers lengths and positioning is allowed, all sights and magnification, no arrow speeds over 300fps – arrow speed will be checked

One extra fund raising novelty event lane on each actual course, one fund raising mulligan lane on each course, two extra fund raising novelty events by the gathering area proceeding the regular 3D round

Other details will be discussed during the shooter’s meeting the morning of the event
